OUR PICK

CHINT NXM-125S + Suntree SPD and ATS

CHINT MCCBs (25 kA), a Suntree SUP1-40 AC SPD and a Suntree SQ8P PC-class ATS: good breaking capacity, wide availability, best value.

MORE MARGIN

Schneider EasyPact EZC100H

30 kA breaking capacity, at a much higher cost. ABB Formula is the other premium choice.
